

Expanded Learning Opportunities Grant Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Blochman Union Elementary School District	Doug Brown Superintendent/Principal	dbrown@blochmanusd.org 805-937-1148

The following is the local educational agency's (LEA's) plan for providing supplemental instruction and support to students, including those identified as needing academic, social-emotional, and other supports, including the provision of meals and snacks. The plan will explain how the LEA will use the funds it receives through the Expanded Learning Opportunities (ELO) Grant to implement a learning recovery program for at least the students included in one or more of the following groups: low-income students, English learners, foster youth, homeless students, students with disabilities, students at risk of abuse, neglect, or exploitation, disengaged students, and students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020–21 school year, credit-deficient students, high school students at risk of not graduating, and other students identified by certificated staff.

For specific requirements please refer to the Expanded Learning Opportunities Grant Plan Instructions.

Plan Descriptions

A description of how parents, teachers, and school staff were involved in the development of the plan.

The Superintendent discussed the plan with teachers and staff during a staff meeting. A draft of the plan was posted on the district's website and a OneCall message went out to parents soliciting their comments and recommendations.

A description of how students will be identified and the needs of students will be assessed.

Students whose formative assessments and/or test scores show they are underperforming will either be given additional support in the classroom or referred to the Student Support Team (SST). The SST consists of an Intervention teacher and dedicated intervention Instructional Assistants. These individuals are essential to our early alert program which utilizes the MTSS methodology described below and greatly benefits our unduplicated pupil groups. This early alert program allows us to identify students in the low performing categories for intervention and targeted teaching. Identified students will receive intensive intervention provided by a certificated intervention teacher. Students in the low performing categories are assessed ongoing using the assessments provided with the evidence-based programs they are using.

A description of how parents and guardians of students will be informed of the opportunities for supplemental instruction and support.

Information regarding supplemental instruction and support is included in the handbook that is sent home with students on an annual basis. The handbook is also posted on the district's website.

A description of the LEA's plan to provide supplemental instruction and support.

Students whose formative assessments and/or test scores show they are underperforming will either be given additional support in the classroom or referred to the Student Support Team (SST). The SST consists of an Intervention teacher and dedicated intervention Instructional Assistants. These individuals are essential to our early alert program which utilizes the MTSS methodology described below and greatly benefits our unduplicated pupil groups. This early alert program allows us to identify students in the low performing categories for intervention and targeted teaching. Identified students will receive intensive intervention provided by a certificated intervention teacher. Students in the low performing categories are assessed ongoing using the assessments provided with the evidence-based programs they are using.

Students who are identified by teachers as needing additional assistance for any reason will be assisted using our MTSS plan:

TIER 3

- Highly targeted intervention plan
- Behavior intervention
- Teacher-student-parent-school-psychologist-principal conference
- Behavior intervention plan created; alternate learning areas developed
- Suspension, if legally appropriate
- Social/emotional interventions
- Individual counseling

TIER 2

- Targeted student intervention and support behavior intervention
- Teacher-Student-Parent conference

- Restorative approaches
- Problem solving plan/behavior contract
- Social emotional interventions
- small group counseling Individual counseling
- Play therapies

TIER 1

- All students participate in school-wide expectations
- Teacher to student classroom management plans
- Teacher check-ins with students

All students will receive the same supports with the exception of English learners who will also be assessed using the ELPAC test. These students will receive designated and integrated ELD instruction. Additionally, students identified as having exceptional needs will be assessed by an Individual Education Plan (IEP) team. These students will then receive the supports and services outlined in their IEP.

Using feedback from stakeholders, we foster a culture that promotes the health, safety, and well-being of students, staff, and parents. To continuously support this effort, the school reminds families of the mental health services available through our school psychologist and through local community resources such as CALM and Casa Pacifica.

Our school psychologist is available five days a week to consult with students. He is also available to consult with parents and teachers to find ways to support children who may need additional social emotional supports at school. He is also available to staff members who may be experiencing trauma due to the impacts of COVID-19.

Our school psychologist refers individuals to the community resource called CALM and Casa Pacifica Centers for Children and Families, as necessary. CALM is a confidential support available to children and families by phone and virtually using a computer through Telehealth. CALM is maintaining a significant presence in local households and schools to ensure the health and well-being of their clients in the Central Coast. Casa Pacifica Centers for Children and Families provides an array of support and care to help kids and families overcome some of life's most difficult circumstances – trauma, complex emotional and behavioral issues, and family crises.

Professional development opportunities and social emotional learning (SEL) workshops are provided to staff and students through meetings with our school psychologist and through on-line webinars and trainings.

Expenditure Plan

The following table provides the LEA's expenditure plan for how it will use ELO Grant funds to support the supplemental instruction and support strategies being implemented by the LEA.

Supplemental Instruction and Support Strategies	Planned Expenditures	Actual Expenditures
Extending instructional learning time	2,764.08	0
Accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports	12,000.00	113,037.92
Integrated student supports to address other barriers to learning	137,121.92	67,593.08
Community learning hubs that provide students with access to technology, high-speed internet, and other academic supports	0	0
Supports for credit deficient students to complete graduation or grade promotion requirements and to increase or improve students' college eligibility	0	0
Additional academic services for students	0	0
Training for school staff on strategies to engage students and families in addressing students' social-emotional health and academic needs	0	0
Total Funds to implement the Strategies	\$151,886.00	\$180,631

A description of how ELO Grant funds are being coordinated with other federal Elementary and Secondary School Emergency Relief Funds received by the LEA.

The district will use other federal Elementary and Secondary School Emergency Relief Funds to provide mental health services during the 2020/2021 fiscal year. The ELO grant funds will provide services during the 2021/2022 fiscal year.

Expanded Learning Opportunities Grant Plan Instructions: Introduction

The Expanded Learning Opportunities Grant Plan must be completed by school districts, county offices of education (COE), or charter schools, collectively referred to as LEAs, that receive Expanded Learning Opportunities (ELO) Grant funds under California Education Code (EC) Section 43521(b). The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before June 1, 2021, and must be submitted to the county office of education, the California Department of Education, or the chartering authority within five days of adoption, as applicable. The plan must be updated to include the actual expenditures by December 1, 2024.

For technical assistance related to the completion of the Expanded Learning Opportunities Grant Plan, please contact ELOGrants@cde.ca.gov. <mailto:lcff@cde.ca.gov>

Instructions: Plan Requirements

An LEA receiving ELO Grant funds under *EC* Section 43521(b) is required to implement a learning recovery program that, at a minimum, provides supplemental instruction, support for social and emotional well-being, and, to the maximum extent permissible under the guidelines of the United States Department of Agriculture, meals and snacks to, at a minimum, students who are included in one or more of the following groups:

- low-income,
- English learners,
- foster youth,
- homeless students,
- students with disabilities,
- students at risk of abuse, neglect, or exploitation,
- disengaged students, and
- students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020–21 school year, credit-deficient students, high school students at risk of not graduating, and other students identified by certificated staff.

For purposes of this requirement

- “Supplemental instruction” means the instructional programs provided in addition to and complementary to the LEAs regular instructional programs, including services provided in accordance with an individualized education program (IEP).
- “Support” means interventions provided as a supplement to those regularly provided by the LEA, including services provided in accordance with an IEP, that are designed to meet students’ needs for behavioral, social, emotional, and other integrated student supports, in order to enable students to engage in, and benefit from, the supplemental instruction being provided.
- “Students at risk of abuse, neglect, or exploitation” means students who are identified as being at risk of abuse, neglect, or exploitation in a written referral from a legal, medical, or social service agency, or emergency shelter.

EC Section 43522(b) identifies the seven supplemental instruction and support strategies listed below as the strategies that may be supported with ELO Grant funds and requires the LEA to use the funding only for any of these purposes. LEAs are not required to implement each supplemental instruction and support strategy; rather LEAs are to work collaboratively with their community partners to identify the supplemental instruction and support strategies that will be implemented. LEAs are encouraged to engage, plan, and collaborate on program operation with community partners and expanded learning programs, and to leverage existing behavioral health partnerships and Medi-Cal billing options in the design and implementation of the supplemental instruction and support strategies being provided (*EC* Section 43522[h]). The seven supplemental instruction and support strategies are:

1. Extending instructional learning time in addition to what is required for the school year by increasing the number of instructional days or minutes provided during the school year, providing summer school or intersessional instructional programs, or taking any other action that increases the amount of instructional time or services provided to students based on their learning needs.
2. Accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports including, but not limited to, any of the following:
 - a. Tutoring or other one-on-one or small group learning supports provided by certificated or classified staff.
 - b. Learning recovery programs and materials designed to accelerate student academic proficiency or English language proficiency, or both.
 - c. Educator training, for both certificated and classified staff, in accelerated learning strategies and effectively addressing learning gaps, including training in facilitating quality and engaging learning opportunities for all students.
3. Integrated student supports to address other barriers to learning, such as the provision of health, counseling, or mental health services, access to school meal programs, before and after school programs, or programs to address student trauma and social-emotional learning, or referrals for support for family or student needs.
4. Community learning hubs that provide students with access to technology, high-speed internet, and other academic supports.
5. Supports for credit deficient students to complete graduation or grade promotion requirements and to increase or improve students' college eligibility.
6. Additional academic services for students, such as diagnostic, progress monitoring, and benchmark assessments of student learning.
7. Training for school staff on strategies, including trauma-informed practices, to engage students and families in addressing students' social-emotional health needs and academic needs.

As a reminder, *EC* Section 43522(g) requires that all services delivered to students with disabilities be delivered in accordance with an applicable IEP.

Fiscal Requirements

The following fiscal requirements are requirements of the ELO grant, but they are not addressed in this plan. Adherence to these requirements will be monitored through the annual audit process.

- The LEA must use at least 85 percent (85%) of its apportionment for expenditures related to providing in-person services in any of the seven purposes described above.
- The LEA must use at least 10 percent (10%) of the funding that is received based on LCFF entitlement to hire paraprofessionals to provide supplemental instruction and support through the duration of this program, with a priority for full-time paraprofessionals. The supplemental instruction and support provided by the paraprofessionals must be prioritized for English learners and students with disabilities. Funds expended to hire paraprofessionals count towards the LEAs requirement to spend at least 85% of its apportionment to provide in-person services.
- An LEA may use up to 15 percent (15%) of its apportionment to increase or improve services for students participating in distance learning or to support activities intended to prepare the LEA for in-person instruction, before in-person instructional services are offered.

Instructions: Plan Descriptions

Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA's local community.

A description of how parents, teachers, and school staff were involved in the development of the plan

Describe the process used by the LEA to involve, at a minimum, parents, teachers, and school staff in the development of the Expanded Learning Opportunities Grant Plan, including how the LEA and its community identified the seven supplemental instruction and support strategies that will be implemented. LEAs are encouraged to engage with community partners, expanded learning programs, and existing behavioral health partnerships in the design of the plan.

A description of how parents and guardians of students will be informed of the opportunities for supplemental instruction and support.

Describe the LEA’s plan for informing the parents and guardians of students identified as needing supplemental instruction and support of the availability of these opportunities, including an explanation of how the LEA will provide this information in the parents’ and guardians’ primary languages, as applicable.

A description of how students will be identified and the needs of students will be assessed

Describe the LEA’s plan for identifying students in need of academic, social-emotional, and other integrated student supports, including the LEA’s plan for assessing the needs of those students on a regular basis. The LEA’s plan for assessing the academic needs of its students may include the use of diagnostic and formative assessments.

As noted above in the Plan Requirements, “other integrated student supports” are any supports intended to address barriers to learning, such as the provision of health, counseling, or mental health services, access to school meal programs, before and after school programs, or programs to address student trauma and social-emotional learning, or referrals for support for family or student needs.

A description of the LEA’s plan to provide supplemental instruction and support

Describe the LEA’s plan for how it will provide supplemental instruction and support to identified students in the seven strategy areas defined in the Plan Requirements section. As a reminder, the LEA is not required to implement each of the seven strategies; rather the LEA will to work collaboratively with its community to identify the strategies that will be implemented. The plan must include a description of how supplemental instruction and support will be provided in a tiered framework that bases universal, targeted, and intensive supports on students’ needs for academic, social-emotional, and other integrated student supports. The plan must also include a description of how the services will be provided through a program of engaging learning experiences in a positive school climate.

As a reminder, *EC* Section 43522(g) requires that all services delivered to students with disabilities be delivered in accordance with an applicable individualized education program. Additionally, LEAs are encouraged to collaborate with community partners and expanded learning programs, and to leverage existing behavioral health partnerships and Medi-Cal billing options in the implementation of, this plan (*EC* Section 43522[h]).

Instructions: Expenditure Plan

The ‘Supplemental Instruction and Support Strategies’ column of the Expenditure Plan data entry table lists the seven supplemental instruction and support strategies that may be supported with ELO Grant funds.

Complete the Expenditure Plan data entry table as follows:

In the ‘Planned Expenditures’ column of the data entry table, specify the amount of ELO Grant funds being budgeted to support each supplemental instruction and support strategies being implemented by the LEA and the total of all ELO Grant funds being budgeted.

An LEA may amend its ELO Grant Plan, including the planned expenditures, based on changes in student needs identified as part of the LEAs ongoing assessment of the needs of students identified for supplemental instruction and support. LEAs are encouraged to collaborate with community partners when amending their plan.

A materially altered plan should be brought to the governing board or body of the LEA for adoption. School districts must submit the amended plan to their COE; charter schools must submit their amended plans to their chartering authority; COEs and school districts in a single-district county must submit their amended plans to the California Department of Education (CDE). COEs and school districts in a single-district county must submit their amended plans to the CDE by email at ELOGrants@cde.ca.gov. LEAs are also strongly encouraged to post an amended plan to the same web page as their LCAP.

The plan must be updated to include the actual expenditures by **December 1, 2024**. In the 'Actual Expenditures' column of the data entry table the LEA will report the amount of ELO Grant funds that the LEA actually expended in support of the strategies that it implemented, as well as the total ELO Grant funds expended.

A description of how these funds are being coordinated with other federal Elementary and Secondary School Emergency Relief Funds received by the LEA

Describe how the LEA is coordinating its ELO Grant funds with funds received from the federal Elementary and Secondary School Emergency Relief (ESSER) Fund provided through the federal Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (Public Law 116-260), also known as ESSER II, to maximize support for students and staff.
