Visits with Virtual Care-Only Providers	Cost through our mobile app and website
Primary Care, and medical services for urgent/acute care	No charge
Mental Health & Substance Use Disorder Services	No charge
Specialist care	\$20 copay per visit deductible does not apply

Covered Medical Benefits	Cost if you use an In-Network Provider	Cost if you use an Out-of-Network Provider
Overall Deductible	\$200 person / \$400 family	\$200 person / \$400 family
Overall Out-of-Pocket Limit	\$1,000 person / \$3,000 family	No limit person / No limit family

The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per person deductible and per person out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per person deductible or per person out-of-pocket limit.

All medical deductibles, copayments and coinsurance apply to the out-of-pocket limit.

In-Network and Out-of-Network deductibles are combined and accumulate toward each other; however, In-Network and Out-of-Network out-of-pocket limit amounts accumulate separately and do not accumulate toward each other.

*For services received from an out-of-network provider, the member may be held responsible for any costs beyond the permitted amount and the overall charges.
